WEEKLY

Newsletter

What a fantastic week we've had at school! We kicked off with two inspiring themed mornings. The first, focusing on the stunning piece of art by Emma Yarlett called The Big Frieze, took our students on a journey through the 8 stages of the Bible. It was an enriching experience for all involved. We then had an art morning inspired by the works of L.S. Lowry, where the children demonstrated their creativity and enthusiasm. Be sure to check out our Instagram page for some photos showcasing their impressive final pieces!

It has also been a pleasure to welcome visitors from other schools, as we were able to share the wonderful things happening here at our school. We are always proud to be used as a great example of good practice! As always, I am incredibly proud of our children for their fantastic behaviour and hard work throughout the week.

Wishing everyone a well-deserved and restful weekend!

Mrs. McArdle
